

The theory is widely held that when persons go from one country to another, they take their habits with them. The speedboat, its rudder locked, sped in dizzy circles about the crowded bay after its pilot had fallen overboard. Police and coast guard surface craft were unable to approach the boat which was spinning over the bay.

"Since 1939 we have arranged about 3,000 marriages. I am particularly proud of the fact that only two of these are known to have ended

SPEED FIEND: "It's great riding along like this. Don't you feel glad you're alive?"

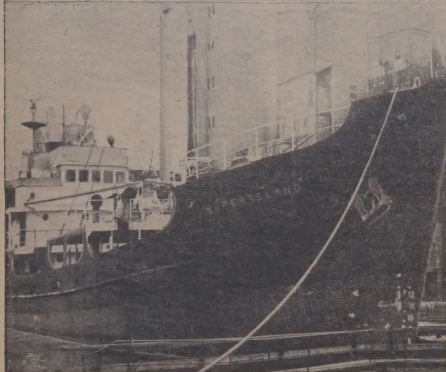

PASSENGER: "Glad isn't the word. I'm amazed."

warmer feet because almost all of the
counties have dried up due to lack

Two stamps the next year were for the 300th anniversary of the death of self-addressed stamped envelope for reply.

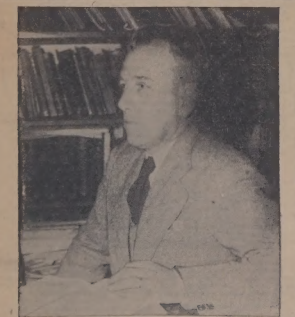

WORLD NEWS IN PICTURES

SCOTIAN-BUILT CRAFT WILL REPLACE NASCOPIC—North is next port of call for the motorship Superclad, built in Scotland to replace Hudson's Bay Company's Nascopic, which struck a reef and went down in 1947. Launched on the Clyde in November, she will leave Montreal for 9,000-mile trip to the Arctic on July 7. Supplies for outposts will range from sugar to children's books.—S.N.S. photo.

TRUCK, TRAIN COLLISION—James De Rosa, 26, of Hamilton, Ont., had a narrow brush with death when his truck was struck by a diesel locomotive. He escaped injury by grabbing handful of the train and hanging on. Patrick Vea, of Hagersville, Ont., a passenger in the truck, was killed when it was pushed 200 feet down the track. Above is a view of wrecked truck.—S.N.S. photo.

DEAN OF FACULTY—Dr. Rhyne A. Eagles, who becomes Dean of Faculty of Agriculture, University of British Columbia following retirement of Dean F. M. Clement.

APPEARS BEFORE 'COMMITTEE'—Robert Oppenheimer, one of the country's most brilliant scientists who is currently directing advanced study at Princeton University, is shown as he appeared in Washington when he came to testify behind closed doors for the House Un-American Activities committee. Dr. Oppenheimer, who was one of the key figures in the development of the atomic bomb and is still chairman of the advisory committee of the atomic energy commission, said he came under suspicion. "Because the committee wanted to see the whole, several cases involving other people which have been before the committee for some time."

SELECTED AS 'FATHER OF THE YEAR'—Family of Sylvanus Byrnes, one of hockey's great stars, who was once captain of Toronto Maple Leafs, gather around to share his pleasure after he had been notified of his selection as 'Father of the Year' by Canadian Father's Day council. Children are: Byrnes, two; Bob, seven; Jeanne, eight; and Carol, five.

ATTEND TROOPING OF THE COLORS—The picture of royal elegance, King George is shown taking the salute, (left), trooping the color ceremony at Buckingham Palace, London. This was the first time the ceremony has been held in full dress since the beginning of the war. Princess

Elizabeth, an honorary colonel of the Grenadier Guards and the Duke of Gloucester, (right), are shown as they attended the ceremony. His Highness drove from Buckingham Palace to an open luncheon and later took the salute at a march past the palace.—S.N.S. photo.

JUNIOR CHAMP—Miss Dorothy Taylor with Chas. J. Taylor, her manager, and her mother, Mrs. Taylor, are shown at the ceremony. Miss Taylor is also partner in the British Columbia Women's Press Club.

WINNER—Jean McVicar, Nepeawa Circle C Club champion, is shown at the Nepeawa Stock Show.

FIRST ISRAELI SHIP DOCKS AT MONTREAL—An estimated 6,000 people were on hand to greet the S.S. Haifa, which was the first Israeli ship to dock at Montreal. The 10,000-ton vessel arrived with a cargo of arms and chocolate from Israel, and will return via New York carrying general cargo and 1,000 tons of grain.—S.N.S. photo.

NEW COMMUNITY CENTRE—Furness is a small village near Walkerton, Ontario, but it boasts the fine new community centre shown at the right. Built at a cost of \$10,000, it has two floors, with auditorium, dance floor, modern stage and lunch counter upstairs; bowling alleys, banquet hall and kitchen downstairs. The auditorium seats 200.

INDIAN IS ELECTED AS PRESIDENT OF ICAC—Sardar C. R. Booth, head of Canada's delegation to the I.C.A.C. Assembly, is shown congratulating Sardar Harish Singh Malik, of India, on his election to the post of president of the Third Assembly of the International Civil Aviation Organisation, which met in Montreal. Mr. Malik, who has had a distinguished career in the Indian diplomatic service, is now Indian High Commissioner to Canada.—S.N.S. photo.

READY, WILLING AND ABLE—An unemployed John L. Lewis has opened contract talks with representatives of Big Steel's coal-producing subsidiaries, as about a half million of his United Mine Workers started a week-long work stoppage at his bidding. The U.M.W. chief is pictured drawing up a chair to begin the negotiations in Philadelphia, Pa.—S.N.S. photo.

HIGHEST PAID WOMAN IN U.S.—Highest paid woman in the U.S., lovely Betty Grable, seen with her daughters, Jessica and Vicki, earned \$20,000 in Hollywood films in fiscal year ending in 1948 according to the treasury department. Grable's fairytale was second highest with salary of \$20,164.—S.N.S. photo.

TOURS ISRAEL—During a recent inspection tour of Israel, Franklin D. Roosevelt, Jr., son of the late president, is pictured with an Arab during a visit to the Arab Christian village of Kfar Mass, near Haifa. The young congressional representative said he found problems facing Israel were "much greater than I had thought" but voiced the confidence that Israel would continue to be a "growing corporation". At the conclusion of his tour Roosevelt, Jr., returned to Washington where he was sworn in as member of the House of Representatives.—S.N.S. photo.
